PRAJAPITA BRAHMA KUMARIS ISHWARIYA VISHWA VIDYALAYA

Brahma Kumaris is a worldwide spiritual movement dedicated to personal transformation and world renewal. Brahma Kumaris was founded by Pitashri Brahma in 1937, in Sind, Pakistan. In 1950, the institution's World Headquarters shifted from Karachi (Pakistan) to Mount Abu, Rajasthan (India) in the lap of beautiful Aravali Ranges. The institution has spread its network of Godly services in many parts of India and to 137 countries with unshaken faith and devotion. After the ascension of Pitashri Brahma in 1969, Rajyogini Dadi Prakashmani Ji was appointed the Administrative Head of the institution, followed by Dadi Janki Ji in 2007 & Dadi Hirdayamohini Ji in 2020. Dadi Ratan Mohini Ji took over as the Chief Administrative Head of this great organization in the year 2021. She has played a pivotal role in spreading the Godly Message of peace, love, truth and harmony in almost all the countries of the world. Even at the age of 100, she works like a youth and is successfully leading this Global Institution.

Divine Message of the Supreme Father God Shiva for Transforming the World

God-Father said: "Dear Children, My divine and meaningful name is 'Shiva'. I am so designated because I do good to all. I am the most Benevolent Being and my acts have salutary effects on all mankind.

Dear children, I am a self-luminous Being and am the subtlest of all the subtle things. Just as you all, human souls, are self-luminous, eternal entities, even so I am also of the form of a self-luminous, shining point. A human soul is actually a point of conscient light and it abides in the forehead, midway between the eyebrows. But I am the Supreme Soul; I am the most excellent of all in respect of purity, peace, bliss, light, knowledge and virtue. What distinguishes Me from all souls is that I am not subject to birth & death as all of you evidently are. Whereas I, Shiva, or God am beyond the cycle of birth and death and so I am eternally impeccable & Knowledgeable and are untouched by any sin. I descend from my Supreme Abode (Param Dham) in the body of a man because I require a bodily instrument for revealing the Godly Knowledge and the path of easy & real Raja-Yoga so as to re-establish new order of purity, religiousness or what is called the 'Golden Age'; i.e. Satyuga.

About the Summit

In an era often characterized by materialism & fast-paced living, the essence of spirituality offers a profound antidote. Spirituality provides a moral compass, guiding individuals towards ethical behaviour and responsible stewardship of the planet. This reverence for life translates into practices that promote sustainability, environmental conservation and social justice.

In the pursuit of a clean and healthy society, spirituality intersects with various domains, including mental, physical and environmental health. Research has shown that spiritual practices such as meditation, prayer and mindfulness are associated with numerous health benefits, including stress reduction, improved immune function, and enhanced psychological well-being. By integrating these practices into daily life, individuals can cultivate resilience and vitality, contributing to a healthier society.

The Brahma Kumaris organization plays a vital role in building a clean and healthy society by promoting spiritual values, offering Rajyoga Meditation practices for inner peace and well-being, advocating for environmental sustainability and working towards social justice and equality.

The Global Summit on "Spirituality for a Clean and Healthy Society" would aim to bring together scholars, practitioners, policymakers, and community leaders to explore the role of spirituality in promoting individual and collective well-being, with a specific focus on fostering environmental sustainability and public health.

The Objectives:

- Exploring the power of spirituality for better health & environment.
- Sharing best practices & case studies that demonstrate the positive impact of spirituality on health
- Building networks & collaborations with other stakeholders working in the fields of spirituality, health and environmental sustainability.
- Promoting dialogue between diverse religious and spiritual traditions, on issues related to health, well-being, and environmental stewardship.
- Inspiring personal & collective transformation towards more sustainable, compassionate and spiritually grounded ways of living.

Brahma Kumaris Shantivan - Oasis of Peace

Venue of the fest, Shantivan complex was established in 1996 at the foothill of Mount Abu in response to the ever-growing activities of the Brahma Kumaris. Among the events held are spiritual congregations, conferences, educational and other retreats for professionals.

The simple yet elegant Diamond Hall, which notable has no pillars inside, accommodates over 20,000 people and has the facility for simultaneous translation into six languages. There is one main conference hall with a seating capacity of 1200, again with simultaneous translation into multiple languages. Residential buildings in the complex have the capacity of accommodating around fifteen thousand people. Like a small city, there are all modern means of communication, transport, well-laid-out roads, electricity & solar energy systems for cooking.

Sight Seeing Attractions in & around Shantivan

Mount Abu - The Spiritual Capital of Brahma Kumaris

Mount Abu is a hill station in the Aravalli Range in Sirohi district of Rajasthan state in western India. It is referred to as 'an oasis in the desert' as its heights are home to rivers, lakes, waterfalls and evergreen forests. Mount Abu is the only hill station in Rajasthan, and one of the greenest cities in the state. Needless to say that because of the lush green paradise that the city is, it is home to a varied flora and fauna. Monsoons give the city emerald hues, which are a pleasure to see.

The International Headquarters of Brahma Kumaris is situated in the beautiful valley of Mount Abu. It is also one of the famous Hindu and Jain pilgrimage sites due to its several Hindu and Jain Temples, including Dilwara Temples, Adhar Devi Temple, Shri Raghunathji Temple, Achaleswar Mahadev Temple and many others.
