ABOUT RAJYOGA MEDITATION

Rajyoga Meditation is an easy and natural way of meditation without rituals or mantras or postures and can be practised anywhere and at any time with 'open eyes', which makes it a versatile and universal practice.

You just need to take a step inwards to enter a world of absolute bliss. Once we start exploring this inner world, we find the root of our problems and also the key to their solutions. We start to respond to situations, rather than just reacting to them and begin to live in harmony.

SECURITY SERVICES WING (SSW)

Security Services Wing is part of Rajyoga Education and Research Foundation (RERF), a sister concern of the Brahma Kumaris. The Security Services Wing was established in 2001 with the aim:

- To strengthen security forces personnel internally to enhance their efficiency and help them take quick and correct decisions in challenging situations
- To help security forces personnel cope with the stress caused by the hazardous nature of their work
- To raise the morale of security personnel by making them self-aware and fostering their innate spiritual qualities.

The SSW has been organizing various programs at field formations for the Officers & Jawans of Security Forces to Enhance Efficiency & Achieve Excellent Performance. The Security organizations have been regularly nominating their personnel to participate in the short courses organized at our Academy/Retreat Centers. The yeoman service being done by SSW has also found appreciation from both MoD and MHA of GOI.
